The major objective of the Multiplier Events is to constitute a cornerstone for the sustainability of the project through a) Presenting its goals and objectives; b) Exposing the general results and specifically those of the Intellectual Outputs; c) Providing Exemplary Sessions on the training component including the methodology, the guidelines for the Ambassadors Curriculum, the e-Toolbox and the Intercultural Dialogue Guidebook; d) Exchanging of ideas and suggestions for the new activities; and e) Identification of actions to ensure future sustainability of the project's outcomes.

To enhance the communication and visibility of the Project, the Lead Partner CulturePolis will invite a group of prominent journalists to participate in the event whereas the remaining partners will disseminate in parallel the press release to the local media.
